By East-Central Florida we mean the areas around Daytona Beach and Orlando. In addition to the east coast saltwater trails, this book covers the inland lakes and "runs" as well. Our favorite is the well marked kayak/canoe trail along Blackwater Creek through a Cyprus swamp and out onto a great lake. All of the 25 trails are fun. If you haven't done much paddling in this area, this guide will get you out there for some great fun and adventures. It shares with you our favorite places. We tell you where to go, how to get there and explain what you may see. More than 75 full color photos enhance the interactive nature of this book. Its unique format and size make it a handy reference guide to stick in your back pocket to accompany you on your adventures.
