Desktop Publishing StyleGuide Sandra Lentz Devall

All you need to design and produce professional-looking publications is here in this comprehensive guide. This book can be a companion for layout novices or the production artist. Unlike other resources, design and typography techniques are linked to the software language in a single source. Twenty-five of the most typical projects such as letterhead, reports, brochures and newsletters are included along with information on page elements, audience, effect, postal requirements and printing options for each.
