## Feminism and Antiracism: International Struggles for Justice

A collection of international scholars and activists answer the questionshow does gender and region/nation play a defining role in how feminists engage in anti-racist practices? How has the restructuring in the world economy affected anti-racist organizing? How do Third World Feminists counter the perception that feminism is a "Western" ideology and how effective are their methods? What opportunities does globalization bring for cross-cultural organizing?

From essays on the race and gender issues in organizing exotic dancers to resistance art in Africa and the U.S., this timely and necessary anthology will be sure to spark debate and controversy.
