Flight of the Golden Harpy

Susan Klaus

Flight of the Golden Harpy Susan Klaus

Kari, a young woman, returns to the jungle planet of Dora after ten years in Earth's schools determined to unravel the mysteries surrounding the harpies, a feral species with the appearance half-bird, half-human.

The human colonists believe harpies are dangerous animals, which are known to steal women. The creatures are hunted like wild game, their wings considered rare trophies. But Kari distrusts these rumors. When she was attacked by a monster in the jungle as a child, a male harpy with rare golden coloring rescued her.

Constant hunting by men has driven the harpies to the brink of extinction. Is Kari's savior, the elegant golden harpy, is still alive? If so, how long can he and his flock survive the ravages of mankind?

Susan Klaus's *Flight of the Golden Harpy* is an imaginative and romantic fantasy novel that questions what it means to be human.
