"[Marilyn French] draws on a vast body of research and help from consultants in all sorts of fields, to open out areas that are rarely accessible."-*Guardian*

"As a reference work it's invaluable: the bibliographies alone are worth the price. And as a warning about the appalling extremes of human behavior and male weirdness, it's indispensable."-Margaret Atwood, *The Times* (London)

In her powerful and bold writing style, best-selling author Marilyn French synthesizes women's history from our pre-historical roots through the rise of states across the globe to the onset of state-backed religions in this first of four readable volumes.
