When a set-up goes wrong and Six finds herself sleeping with the enemy, who will she choose, the man she loves, or the man she's supposed to hate? Detroit hustlers Free and Six have been together seven years, but their relationship has been nothing but drama. Free hasn't been faithful and Six has taken out her hurt by physically hurting the other women. Free ends up in jail for three years, and when he's sprung, he's not happy to learn that Six has been living the high-life on his dime and blown through \$100,000! Then Six gets entangled in one of Free's schemes and finds herself in a role almost too good to be true—posing as the woman of another man who actually treats her with respect. Though you can bet there won't be a "happily ever after" for anyone involved. . .
