## Warriors Super Edition: SkyClan's Destiny Erin Hunter

The return of a long lost Clan . . .

Many moons ago, five warrior Clans shared the forest in peace. But as Twolegs encroached on the cats' territories, the warriors of SkyClan were forced to abandon their home and try to forge a new life far away. Eventually, the Clan disbanded—forgotten by all until Firestar was sent on a quest to reunite its descendants and return SkyClan to its former glory.

Now, with Leafstar in place as leader, SkyClan is thriving. Leafstar is desperate to believe that her Clan will survive where the ancient SkyClan cats failed. But threats continue to plague the Clan, and as dissent grows from within, Leafstar must face the one question she dreads: Is SkyClan meant to survive?
