If you love birds, and the One who created them, then you will love A Bird Lover's Reflections. Written from her favorite waterfront location in the beautiful Thousand Islands in Northern New York, Patty's 90 daily meditations include a short reading from the Scriptures, a short devotional, and a place to jot down your own thoughts and reflections. As Patty shares some of her own devotional experiences, her fellow bird-lovers will become more aware of God's presence as they enjoy nature. They will also grow in their walk with God through a subject that is dear to their heart, and his, too. So, grab your book and be prepared for an inspirational and interactive time enjoying nature. A Bird Lover's Reflections is the third in a series of devotionals written for those who love nature and the outdoors.
