A Casa do Saltimbanco (Portuguese Edition) Mme. De Stolz

Adalberto era feliz. Seria difficil imaginar uma vivenda mais linda do que aquella em que corriam os primeiros annos de Adalberto; era o campo da Normandia com seus vallados, seus arbustos, extensos prados, campos dourados, com todos os seus perfumes e flôres. D'estes thesouros participava Adalberto com todas as outras crianãas do logar, porque para todos tinha Deus dado aquellas felicidades; mas, do que si aquelle rapazinho gozava, com seus irmãos e sua irmã, era d'uma bonita e grande casa, cujas janellas deitavam para um lindissimo jardim, onde se podiam admirar as mais formosas rosas. {6} Por todos os lados arvores verdes, alamos, sobreiros, carvalhos, ormeiros, por entre as quaes se viam ora ruas caprichosas, ora limpidas aguas onde viviam lindos peixes. No fim do parque havia um labyrintho formado por lilazes e clematites onde a gente se perdia; tantas voltas elle dava. Esse labyrintho parecia feito de proposito para jogar as escondidas; e era um dos grandes divertimentos de Adalberto andar procurando seus irmãos Eugenio e Frederico, e sua irmã Camilla. A cincoenta passos do castello via-se n'um grande lago um barco pintado com as mais vivas cõres. Este barco era o encanto de todos os pequenos. Um passeio sobre a agua, ao luar, era o mais desejado de todos os divertimentos de Valneige, talvez porque este favor si se obtinha quando se era premiado, e a troco dos muito bem e optimamente. Ç que nãõ ha maior prazer do que aquelle que alcanãamos pelo cumprimento do dever
