She saved one life...now she could lose her own.

Shadows, Book 2

It takes more than an ominous warning to scare trauma surgeon Kate Marshall into hiding. The patient who just died on her table had connections to a crime lord with a vicious reputation for revenge. However, when a ghostly figure appears right before bullets start whizzing past her head, Kate is forced to admit she's stumbled into a Twilight Zone of trouble.

Ex-army doctor Jason Nolan should have been on duty at the hospital, but ghosts from his past drove him to numb his burned-out soul in the back booth of a waterfront bar. When the tall, leggy, Grace Kelly lookalike tracks him down to give him a piece of her razor-sharp mind, he figures he deserves it.

But Kate doesn't deserve to be stalked by a shadowy serial killer with a motive that extends all the way to the Louisiana bayou and ties to a past Nolan would like to forget. Only Nolan can help Kate navigate the terrifying path that lies ahead. A path riddled with voodoo, superstition and death.

Warning: Contains shadowy voodoo curses, ancient death traps and passion that sparks and burns as the danger escalates.
