Following Our Bliss Don Lattin

Renowned journalist Don Lattin, longtime reporter for the San Francisco Examiner and more recently the San Francisco Chronicle, interprets the American spiritual and religious landscape since the 60s with insight, wit, and telling reporting. What David Brooks did for the American social and commercial landscape in the bestselling *Bobos In Paradise*, he does for the spiritual landscape, showing how the 60s have had a profound transformative impact in every area of spirituality. This is the first comprehensive look at the spiritual legacy of the 60s and 70s, as seen through the lives of those raised amid some of the era's wildest experimentation.
