Hearts Stef Ann Holm

"This is romance at its best," said Amanda Quick of *Honey*, the third book in Stef Ann Holm's *Brides for All Seasons* series. And readers who enjoy their historical romance liberally spiced with passion and laughter are in for another unforgettable treat.

HEARTS

Suspended for teaching human sexuality to her students, Truvy Valentine has come to Harmony, Montana, to visit her dear friend, Edwina, and try to forget that she will most likely die a tall, athletic old maid. Although she has diligently studied how to choose the perfect mate, no book could prepare her for her attraction to Jake Brewster, a man whose favorite things in life seem to be beer, boxing, and poker. The proud owner of Bruiser's Gymnasium, Jake has little patience for the proper Miss Valentine -- until he gets a taste of what simmers beneath her prim exterior. Trouble is, Jake's not the marrying kind -- not hardly. Soon Truvy is teaching dance classes at Edwina's school and Jake is making her head spin. But the magic they find in each other's arms could turn to heartache unless they can learn to let go of the past and step into the future -- together.

From reader reviews:

Dora Campfield:

The book Hearts can give more knowledge and information about everything you want. Why must we leave the great thing like a book Hearts? A few of you have a different opinion about reserve. But one aim which book can give many information for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or data that you take for that, it is possible to give for each other; you may share all of these. Book Hearts has simple shape however you know: it has great and big function for you. You can seem the enormous world by available and read a book. So it is very wonderful.

Ira Knudsen:

Book is to be different for each and every grade. Book for children until eventually adult are different content. To be sure that book is very important normally. The book Hearts was making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The e-book Hearts is not only giving you much more new information but also to be your friend when you truly feel bored. You can spend your personal spend time to read your book. Try to make relationship with the book Hearts. You never feel lose out for everything in the event you read some books.

Harry Keller:

Reading can called mind hangout, why? Because if you find yourself reading a book especially book entitled Hearts the mind will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely will become your mind friends. Imaging every single word written in a publication then become one form conclusion and explanation in which maybe you never get just before. The Hearts giving you yet another experience more than blown away your brain but also giving you useful info for your better life on this era. So now let us demonstrate the relaxing pattern at this point is your body and mind is going to be pleased when you are finished studying it, like winning a sport. Do you want to try this extraordinary wasting spare time activity?

David Trudeau:

What is your hobby? Have you heard that will question when you got learners? We believe that that issue was given by teacher to their students. Many kinds of hobby, All people has different hobby. So you know that little person including reading or as examining become their hobby. You need to know that reading is very important along with book as to be the point. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You see good news or update in relation to something by book. Many kinds of books that can you take to be your object. One of them is this Hearts.
