**Samantha knows what she wants from life – and she's got it!**

1. A loving family. OK, her Mum's plan to marry her off to the world's most metrosexual man might not be ideal... but it's only because she cares!

2. A great job. Or at least: a job that leaves plenty of time to update Twitter and shop for designer bargains online...

3. A credit card, with a very generous limit. So generous that she's just spent over \$10,000 on an antique kimono...

But suddenly Samantha's charmed life starts to fall apart! From a hair-related fire to losing her job, Sam's facing bad karma – and it all started when she bought that kimono...

Sure, it's ridiculous. How could a piece of silk ever bring bad luck? But it can! Because, whether Samantha likes it or not, someone wants to teach her a lesson: it's what's inside that counts.

But will Samantha slow down long enough to listen?
