The Battle of Copenhagen 1801

Ole Feldbaek

The Battle of Copenhagen 1801 Ole Feldbaek

Written by the leading Danish authority on the period, this splendid work brings to life Nelson's historic victory immortalised by his so famously turning a blind eye to his superior's order to halt operations. As well as describing the brilliance of the British tactics, the work fascinatingly reveals the desperate action and great bravery displayed by the Danish defenders who suffered appallingly in the fighting.
