The Pigeon Wars of Damascus Marius Kociejowski

Marius Kociejowski follows up his now classic *The Street Philosopher and the Holy Fool* with *The Pigeon Wars of Damascus*. A metaphysical journalist in search of echoes rather than analogies, hints as opposed to verities, Kociejowski discovers once again at the periphery of Damascene society—for the outcast is often made of the very thing that rejects him—a way to understand the challenges and changes refashioning post-9/11 Syria and the Middle East, reminding us once again of the deeper purpose of travel: to absorb and understand the spirit of a place, and to return changed.
