**Climax** Paul Lederer

**In a lonely western town, a marshal stands in the way of a gang of killers**

There is nothing to love about the town of Climax, a godforsaken speck of earth with one saloon, one restaurant, and one lawman. Ever since he got too old to ride the range, Giles Frost has worn a silver star, sleeping in the jail, patrolling Main Street twice a day, and waiting for trouble that has never shown its face—until now.

On his nightly patrol, a gunshot rings out and Frost falls to the dirt, shot in the side. A gang of renegades has decided to make their home in Climax, and they have no interest in retaining the services of the law. But although he may look soft, Giles Frost has a spine of steel. There's not much to this town, but its sheriff will kill to keep it free.
