### **Diego (Endangered Fae #2)** Angel Martinez

After defeating an evil wendigo, a man and his pooka lover deserve a little quiet, don't they? Unfortunately, Diego and Finn's hard-won peace is disturbed, their new life in Montana is turned upside-down when Diego, in a jealous rage, unwittingly rips a hole in the impenetrable Veil to the Otherworld. Separated, stuck on the other side of the Veil where Finn has to face old conflicts and Diego is the only human in a land of fae, the two of them are forced to navigate rocky waters between huge egos and ancient feuds. Worse still, some of the fae, in both the sidhe and Fomorian courts, are dying of a mysterious illness and everyone believes Diego is the key to a cure. Things can't possibly get any worse, can they? Oh, yes--they can when the US government gets involved.
