## Enrique Alonso series Julián Sánchez

"He realizado hace apenas unos días la adquisición de un lote que incluye todo el contenido de una vieja masía señorial propiedad de una vieja familia catalana, los Bergués. En su biblioteca he descubierto algo increíble, capaz de colmar las expectativas de un anticuario. No me atrevo a revelarte nada hasta haber comprobado que no se trata de las imaginaciones de un viejo y que su fundamento se revela cierto. Por algún motivo que no alcanzo a comprender estoy intranquilo; esto es algo que por primera vez en muchos años me supera por completo." Enrique Alonso, escritor, recibe una carta de su padre adoptivo, Artur Aiguader, un conocido anticuario de Barcelona. En ella, éste le relata el hallazgo de un antiguo manuscrito redactado en latín y catalán que parece ponerle sobre la pista de una joya de un pasado remoto. Por desgracia, Aiguader no verá cumplido su sueño de encontrarla pues será asesinado. Alonso se trasladará a Barcelona con el objetivo de desvelar la incógnita del manuscrito, localizar la joya y resolver el asesinato.

### **From reader reviews:**

#### **Shirley Kistner:**

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each guide has different aim or maybe goal; it means that book has different type. Some people feel enjoy to spend their the perfect time to read a book. They may be reading whatever they consider because their hobby is reading a book. Why not the person who don't like looking at a book? Sometime, man or woman feel need book once they found difficult problem or even exercise. Well, probably you will want this Enrique Alonso series.

#### **Michael Walsh:**

As people who live in the particular modest era should be change about what going on or information even knowledge to make all of them keep up with the era that is certainly always change and move ahead. Some of you maybe may update themselves by examining books. It is a good choice for you personally but the problems coming to an individual is you don't know what type you should start with. This Enrique Alonso series is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

#### **Catherine Benavidez:**

That reserve can make you to feel relax. This kind of book Enrique Alonso series was colorful and of course has pictures on there. As we know that book Enrique Alonso series has many kinds or variety. Start from kids until teens. For example Naruto or Investigator Conan you can read and believe you are the character on there. Therefore not at all of book tend to be make you bored, any it offers you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading in which.

#### **Jeffrey Blough:**

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Enrique Alonso series can make you truly feel more interested to read.
