## **Ghost Stories and Mysteries** Ernest Favenc

Ernest Favenc (1845-1908) is a neglected master of Australian supernatural and mystery fiction. Best known for his *History of Australian Exploration, 1788-1888*, he was also a prolific author and journalist, writing for some of the most popular and important literary journals in colonial Australia. His considerable output is now largely forgotten, even among aficionados of weird and mystery fiction. This book collects thirty-one of Favenc's best stories, many published here for the first time since their original publication; and aims to showcase Favenc's talent as the most important Australian colonial writer of Gothic and supernatural fiction. The stories span the period 1875-1907, and demonstrate the richness and variety of his art, making this a major publishing event for enthusiasts of nineteenth-century crime and weird fiction.
