Green Ice Gerald A. Browne

In *New York Times*–bestselling author Gerald A. Browne’s riveting thriller, a down-on-his-luck American makes one last gamble to reap a fortune in the Colombian emerald business

After years of stultifying office work, Joseph Wiley will try anything to get rich in a hurry. He’s hustled all kinds of products, but each venture has left him deeper in debt, chained tighter to his office desk. When his latest moneymaker goes up in smoke, Wiley doesn’t even bother to quit his job. He takes every cent he has to the airport and flies south, landing in Colombia, where he will make his millions—or lose his life.

In the mountains of Colombia, even an amateur can make a mint digging for emeralds, but an all-powerful syndicate, the Concession, controls the gems. Wiley and his new partner, heiress Lillian Holbrook, play a dangerous, double-crossing game with the Concession and its watchdogs because, for different reasons, they’re both willing to risk everything for the brilliant green stones.

From reader reviews:

Zenaida Jackson:

Do you one among people who can't read satisfying if the sentence chained inside straightway, hold on guys this aren't like that. This Green Ice book is readable by means of you who hate those straight word style. You will find the data here are arrange for enjoyable studying experience without leaving even decrease the knowledge that want to provide to you. The writer connected with Green Ice content conveys the thought easily to understand by many people. The printed and e-book are not different in the information but it just different such as it. So , do you still thinking Green Ice is not loveable to be your top collection reading book?

Andrew Schulz:

Reading a reserve tends to be new life style within this era globalization. With examining you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Lots of author can inspire their particular reader with their story or maybe their experience. Not only the storyline that share in the ebooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors nowadays always try to improve their ability in writing, they also doing some investigation before they write for their book. One of them is this Green Ice.

Rebecca Lopez:

Why? Because this Green Ice is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will jolt you with the secret the item inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of benefits than the other book include such as help improving your ability and your critical thinking approach. So , still want to postpone having that book? If I had been you I will go to the e-book store hurriedly.

Jeremy Reed:

What is your hobby? Have you heard that question when you got scholars? We believe that that question was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person including reading or as studying become their hobby. You should know that reading is very important as well as book as to be the thing. Book is important thing to provide you knowledge, except your teacher or lecturer. You see good news or update concerning something by book. Numerous books that can you choose to use be your object. One of them are these claims Green Ice.
