More Security

Password Books are More Secure Than Saving your Passwords to a File on Your Computer or to a database. It's much easier for people to tap into your passwords and personal information if you save this info on a web site or file on your computer. Keeping your passwords and other info in a paperback book greatly reduces the number of people who can find your passwords and other information. For Additional security you can also keep this journal in a private place in your home, rather than out in the open. Please click on the "Look Inside" feature to make sure this book is right for you.
