After losing her husband and daughter in a fire, Michaela Macintosh never planned to love again. She certainly didn't imagine that her heart would be torn between two very different men. Philip Macintosh had always been a stable friend to Michaela. His feelings change, however - and he makes known his desire to be more than a compassionate brother-in-law. Eric Johnson is a handsome widower raising a family of six. His children capture Michaela's affection, and Eric stirs her heart and spirit. Now Michaela is faced with important questions: Has she mistaken familiarity for love? Would the Lord desire her heart to be safe with Philip or rekindled with Eric?
