## Something Deadly This Way Comes (Madison Avery Book 3) Kim Harrison

I'm Madison Avery, in charge of heaven's hit squad . . . and fighting it all the way.

When Madison died the night of her prom, she knew her life would never be the same. Now she has a powerful amulet, a team of rogue angels by her side, and the ability to flash forward into the future to see the shape of destiny. And of course, now she's finally with Josh—a perfect boyfriend who doesn't even mind that she's dead.

But being dead has its disadvantages, too. Madison feels caught between the light and the dark, and between her real life and her timekeeper status. When Madison has the opportunity to get her body back—to be *alive* again—she faces her most difficult decision yet. If she claims it, she could return to being a normal girl—and have a chance at a real relationship with Josh. But would having the one thing she wants most in the world also mean giving up everything she's worked so hard for?
