The Art and Business of Photography Susan Carr

Photographers now have the ideal resource to build a solid foundation for success. *The Art and Business of Photography* takes an honest approach to the photography profession and is a guide to the artistic and business skills that are the foundation of a career in photography. Professional photographer and former ASMP president, Susan Carr, discusses the realities of the photography industry along with the struggles of expressing creativity and producing quality photography. Topics in this distinctive guide include the balance of being an artist and a business person, the basics of copyright, pricing skills, how to find future prospects, and the importance of craft and creativity. Firsthand experiences and sample photographs by top photographers--pursuing various photography subjects and different types of clients--serve to enhance the unique combination of art and business included in this book. This volume also covers the history of the profession and the current state of the industry. Anyone with a love for a photography and the creative process will benefit from this realistic yet inspiring approach to the photography industry.

Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a *New York Times* bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

From reader reviews:

Nicholas Walsh:

Reading a guide tends to be new life style in this era globalization. With reading you can get a lot of information that could give you benefit in your life. Having book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their reader with their story or even their experience. Not only situation that share in the books. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some exploration before they write for their book. One of them is this The Art and Business of Photography.

Kristi Goins:

Precisely why? Because this The Art and Business of Photography is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who also write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I had been you I will go to the guide store hurriedly.

Patti Wooden:

Playing with family within a park, coming to see the coastal world or hanging out with friends is thing that usually you might have done when you have spare time, then why you don't try factor that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Art and Business of Photography, you could enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang-out type is it? Oh occur its mind hangout folks. What? Still don't get it, oh come on its identified as reading friends.

Naomi Dillon:

In this particular era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple solution to have that. What you must do is just spending your time little but quite enough to possess a look at some books. Among the books in the top listing in your reading list is definitely The Art and Business of Photography. This book that is certainly qualified as The Hungry Hills can get you closer in getting precious person. By looking upwards and review this publication you can get many advantages.
