Code Blue: Prescription for Trouble Series #1 Richard L. Mabry

For Dr. Cathy Sewell, *Code Blue* means more than just the cardiac emergencies she faces—it's the state of her life when the return to her hometown doesn't bring the peace she so desperately needs. The town doctors resent the fact that she's not only a newcomer but also a woman, and the devastating results from one of her prescriptions may mean the end of her practice. As two men compete for her affection, an enemy wants her out of town—or possibly even dead.

Cathy returns to her hometown seeking healing after a broken relationship, but discovers that among her friends and acquaintances is someone who wants her out of town . . . or dead. Lawyer Will Kennedy, her high school sweetheart, offers help, but does it carry a price tag? Is hospital chief of staff, Dr. Marcus Bell, really on her side in her fight to get hospital privileges? Is Will's father, Pastor Matthew Kennedy, interested in advising her or just trying to get her back to the church she left years ago? When one of Cathy's prescriptions almost kills the town banker, it sets the stage for a malpractice suit that could end her time in town, if not her career. It's soon clear that this return home was a *prescription for trouble*.
