Criminal Investigation Neil C. Chamelin

Widely recognized as the most accurate and comprehensive text in the field, this practical, step-by-step introduction to criminal investigation gives students a logical framework for understanding the investigative process. Major sections cover current issues such as environmental crime, the looting of archaeological sites, videotaping of crime scenes, street gangs, and drugs. Case studies throughout the text emphasize the applied technique of criminal investigation. Graphs, charts, and arresting photographs found throughout the text depict the practical aspects of investigation and help to clarify difficult scientific concepts. The tenth edition has been significantly updated with new content to reflect new statistical data, technology, procedures, and law.
