## **Project Design Explained: Project Management Books, Book 2** Can Akdeniz

Are you someone who is required to come up with projects often? A student or a businessperson perhaps?

Maybe you are not required to create projects but are someone who has wanted to start up a project on their own.

Either way, this book is one that you absolutely need to hear! In this book, we talk about project design and the method in which you can successfully design a project. If your project design is substandard, then of course the outcome won't be good! That's why this book is a must-hear.

What you'll learn:

- A basic outline as to how you should design a project
- How to come up with goals
- How to plan and design your research
- How to select team members and decide roles
- How to design the stages of the project
- The part that communication plays in project designing
- How to design a schedule
- And so much more!
