**Sacred Land: Intuitive Gardening for Personal, Political and Environmental Change** Clea Danaan

Clea Danaan breaks new ground with *Sacred Land*?a fresh approach to sacred gardening that goes beyond your own backyard.

In this positive and practical handbook, Danaan shows how organic gardening can germinate environmental awareness and political change while feeding your spirit. You'll learn how to plan and plant your garden, create compost, save seeds, conserve and transmute water, connect with garden goddesses, and incorporate planetary energy in your garden.

Sacred Land explores the benefits of native plants, organic food and agriculture, buying locally, and eating seasonally. It suggests simple yet effective ways of spreading the message of ecology and sustainability to your community. You'll discover how to get along with ants, bats, bees, butterflies, fairies, frogs, gnomes, worms, and other creatures who share our gardens. This one-of-a-kind gardening guidebook also includes inspiring stories of women activists, farmers, artists, and healers who are making a difference in the world.
