Masaru Emoto

The Healing Power of Water Masaru Emoto

This book will transform your world view. Dr. Masaru Emoto's first book, *The Hidden Message in Water*, told about his discovery that crystals formed in frozen water revealed changes when specific, concentrated thoughts were directed toward them. He also found that water from clear springs and water that has been exposed to loving words showed brilliant, complex and colourful snowflake patterns. In contrast, polluted water, or water exposed to negative thoughts formed incomplete, asymmetrical patterns with dull colors.
