Islanders

Virginia Thorndike

Islanders Virginia Thorndike

Virginia Thorndike, Maine's own version of Studs Terkel, traveled to all the Maine coast islands that still maintain a year-round population and persuaded the islanders to talk openly about their lives. The result is a compulsively readable, unvarnished, and appealing portrait, much of it in the islanders' own words. The 15 islands not accessible by bridge that still have year-round populations are: Isle au Haut, Islesboro, the Cranberry Isles (near Mt. Desert Island), Eagle Island, Long Island (Frenchboro), Long Island (Casco Bay), Matinicus, Monhegan, North Haven, Swans Island, Vinalhaven, Peaks, Chebeague, Great Diamond, and Cliff.

From reader reviews:

Lewis Manns:

As people who live in typically the modest era should be change about what going on or facts even knowledge to make them keep up with the era which can be always change and move ahead. Some of you maybe will probably update themselves by reading books. It is a good choice for yourself but the problems coming to anyone is you don't know which you should start with. This Islanders is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

Joseph Sutton:

Often the book Islanders has a lot details on it. So when you check out this book you can get a lot of help. The book was published by the very famous author. The writer makes some research previous to write this book. This particular book very easy to read you may get the point easily after scanning this book.

Valerie Bell:

People live in this new moment of lifestyle always try and and must have the spare time or they will get large amount of stress from both day to day life and work. So , when we ask do people have time, we will say absolutely indeed. People is human not really a huge robot. Then we question again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read will be Islanders.

David Gaiter:

Publication is one of source of know-how. We can add our understanding from it. Not only for students but native or citizen will need book to know the update information of year to be able to year. As we know those books have many advantages. Beside we add our knowledge, could also bring us to around the world. By book Islanders we can consider more advantage. Don't someone to be creative people? To get creative person must love to read a book. Just choose the best book that acceptable with your aim. Don't end up being doubt to change your life by this book Islanders. You can more attractive than now.
