## The Legal Language of Terrorism. a Thematic Dictionary

Covering every important legal concept used in the discussion of contemporary terrorism, this dictionary offers a clear and understandable description of each term including a definition, an explanation of its legal significance as it applies to specific terrorist circumstances, and other relevant elements that provide a full comprehension of the concept. The extensive list of terms includes terrorist case law, statutory law and individual descriptions of major terrorist groups and attacks. The thematic organization of this dictionary allows for a simple and orderly understanding and review of the topics involved in the application of the law to events and cases forming the field of political violence. All persons interested in learning about the legal environment that applies to terrorism should find this work ideal and comprehensive; especially those in the military, state security, government officials, and lawyers should find it to be an essential reference book.
