A thought-provoking response to Steve Harvey's *Act Like a Lady, Think Like a Man*, *Can We Talk?: Claiming the Happiness You Deserve* reveals the many dysfunctions causing relationships to fail.

When problems arise in a relationship, there are always signs and they are not always the big flashing neon types. But ignoring the signs of trouble can be detrimental to the fate of any relationship.

*Can We Talk?* is the start of a relationship revolution. It is a candid look at the basis for the failure and dysfunction of many relationships. It is an absorbing and entertaining journey to self-discovery.

For the person who needs to be drilled, over and over, in order to get "it," *Can We Talk?* offers a witty and common-sense approach to shedding light on the dynamics of relationships. It is not what happens to us that determines who we become, but what we allow ourselves to become!
