Time Life

Life Library of Photography- Frontiers of Photography Time Life

The subject of this book is as big as all outdoors and a lot older than photography. But the things about it are relative new. One is that nature photography has become an increasingly popular activity for the nature-loving non-professional. By the hundreds of thousands, amateurs are discovering and rediscovering nature with camera clubs and wildlife societies on photographic field trips and at zoos and botanical gardens some of which even have photography courses.
