Yondering Louis L'Amour

“Over the years I have been proud to write about the men and women of the American frontier. But I have written many stories with entirely different settings which I have long wanted to share with my readers.

“I have collected some of these in *Yondering*. They are glimpses of what my own life was like during the early years. Those were the rough years; often I was hungry, out of work and facing situations such as I have since written about.

“Although these stories take place in a variety of locales, they are stories of people living under conditions similar to the way they might have lived on the frontier. I hope you’ll enjoy *Yondering*.”
