LGBT Families (Contemporary Family Perspectives (CFP))

Nancy J. Mezey

LGBT Families (Contemporary Family Perspectives (CFP)) Nancy J. Mezey

Nancy J. Mezey's **LGBT Families** presents a comprehensive yet accessible understanding of LGBT families today by drawing upon and making sense of the burgeoning scholarly literature about LGBT families from the late twentieth and early twenty first centuries. It pays particular attention to how structures of race, class, gender, sexuality, and age shape LGBT families, and how members of such families negotiate the social landscapes within which they exist. The book will help readers better understand the formation, experiences, challenges, and strengths of LGBT families, and addresses two main questions: *Why are new family forms so threatening to certain groups of people in society?* and *How are new family forms beneficial to the society in which they exist?*
