Silent Warrior: The Marine Sniper's Vietnam Story Continues Charles Henderson

In the United States Marine Corps, the most dangerous job in combat is that of the sniper. With no backup and little communication with the outside world, these men disappeared for weeks on end in the wilderness with nothing but intellect and iron will to protect them--as they would watch, wait, and finally strike.

But of all of the snipers who ever hunted human prey, one man stands above and beyond as one of the most legendary fighting men ever to pull a trigger...

That man was Carlos Hathcock.

In **Marine Sniper**, the true-life missions of United States Marine Corps sniper Carlos Hathcock were revealed in explosive detail. Now, the incredible story of a remarkable Marine continues—with harrowing, never-before-published accounts of courage and perseverance. These are the powerful stories of a man who rose to greatness not for personal gain or glory, but for duty and honor. A rare inside look at the U.S. Marine's most challenging missions—and the one man who made military history.
