When I Feel Jealous (The Way I Feel Books) Cornelia Maude Spelman

A bear cub describes situations that make her jealous: when someone has something she wants, when someone is good at something she wants to be good at, and when someone else gets all the attention. “Jealousy is a prickly, hot, horrible feeling. I don’t like feeling jealous, but—everybody feels jealous sometimes.” The little bear finds ways to make herself feel better—she talks to someone about how she feels and then does something pleasant—and soon the jealous feeling goes away. An author’s note for parents and teachers is included.

This is a fixed-format ebook, which preserves the design and layout of the original print book.
