A volatile combination of sex and danger! The House of Silence is an elite male bordello catering to the obscenely rich. No matter how extreme or mundane the fantasy, the House is rumored to serve. Master Charon employs a group of versatile, beautiful young men, some lewd, some innocent, many with tragic pasts and hidden secrets of their own, who depend on him for safety. Protecting “his boys” is more important to Charon than always pleasing his powerful clients; the men who work for him return this loyalty. Each young man – Vincent, Danny, Reiji, Tam and more – brings his own history and his own fears to the House of Silence. This unpredictable mix erupts when danger threatens. A powerful nobleman strikes out at Charon and his staff, seeking to destroy them all if he’s not given what he wants: one of the boys to keep for his own.
