This collection of non-partisan reports written by award-winning *CQ Researcher* journalists focuses on provocative current policy issues. As an annual publication that comes together just months before it goes to press, the volume is as up-to-date as possible. And because it's *CQ Researcher*, the policy reports are expertly researched and written, showing all sides of an issue. Among the articles featured in the Sixteenth Edition are youth unemployment, the militarization of the police, domestic drones, and food policy debates. Chapters follow a consistent organization—exploring three issue questions, then offering background, current context, and a look ahead—and feature a pro/con debate box. All issues include a chronology, bibliography, photos, charts, and figures.
