## **La profe responde (Guías para educar) (Spanish Edition)** Cristina Gil Gil

Cuántas veces se quedan los padres boquiabiertos al recoger a sus hijos del colegio y descubrir que han sido capaces de comer solos lo que les han puesto, de desvestirse e incluso vestirse, de ordenar, de no llevar chupete... ¡Y sin llorar! Les gustaría grabarles y ver cómo consiguen las profesoras semejante maravilla.

Este libro refleja algunas de las inquietudes de los padres en el día a día con sus hijos y se encuentra repleto de buenos y prácticos consejos. Son fruto tanto de la propia experiencia de la autora (madre de tres hijos y profesora de educación infantil durante quince años) como de muchos otros padres con hijos en estas edades.

Cristina Gil Gil, con más de 20 años de experiencia educativa en las aulas con niños y con familias y más de una década como madre, esta zaragozana, esposa y madre de tres hijos, decide escribir un libro inspirado en todas esas familias con las que ha compartido la fantástica pero no fácil tarea educativa de los hijos.

Estudió Magisterio, especialidad Educación Infantil, en Zaragoza, realizó un Master en asesoramiento familiar por el Centro Villanueva. Actualmente sigue trabajando como profesora tutora de Educación Infantil en Fomento de Centros de Enseñanza y es moderadora en los cursos de orientación familiar, de Coef Aragón.
