L'Enigma delle Origini (Italian Edition) Simone Barcelli

"L'enigma delle Origini della Razza Umana" racconta di culture lontanissime nel tempo e nello spazio. Le fa visualizzare, come in una docufiction ben riuscita, quasi le possiate seguire fotogramma dopo fotogramma. E ve le racconta con un linguaggio forbito ma non saccente.

La sua operazione, se la dovessimo visualizzare per immagini (e qui torniamo al concetto della docufiction ben riuscita), è quella di accostarsi a miti e divinità, confabulare con loro e poi prenderle per mano.

Così questi miti e queste divinità vi si avvicinano, si fanno conoscere e, per tramite dall'autore, rievocano per voi la loro storia.

Una storia che, troppo spesso, rischia di andare perduta tra specialità dell'argomento e il suo confinamento all'interno di volumi di settore.

E invece qui rimangono con voi, questi esseri soprannaturali, e con voi si faranno portare quando sarete arrivati all'ultima pagina.

Quel che pensa Simone Barcelli, seguendo il procedere della sua narrazione in giro per il mondo, non ci è dato sapere.

E' un cronista che incontra una realtà, la raccoglie, si documenta per verificare l'autenticità della storia e la trasmette a sua volta.
