Taking Fire Radclyffe

After two years and too many lost troops, Navy medic Max de Milles is ready to go home. Her last tour is up in four days and she will soon be catching a transport to the States. Life is looking good until she gets detailed to evacuate a humanitarian group in south Somalia.

Rachel Winslow and her Red Cross team are caught in the crossfire during a vicious civil uprising, but she refuses to abandon her team members as the rebels close in on their camp. By the time Max and the Black Hawk arrive, it may already be too late.

Hunted by extremists, Max and Rachel are forced to work together if they are to survive, and in the process, discover something far more lasting.
