America's Other Jesus Raymond F. Hendrix

There are times in everyone's life when they must reach beyond their own resources for understanding and guidance. As they seek confirmation and affirmation from a higher power, the question is: Are they looking to Jesus or to an artificial Christ for their answers? In his new book, *America's Other Jesus*, Raymond Hendrix probes the proliferation of the large number of "Christs" while asserting that only one of these is the true Son of God. As a result, many Americans have exchanged Biblical beliefs for material goods and comfortable spirituality. Hendrix takes a challenging look at modern culture including the motivations of political figures and the many dangerous temptations that plague young people. *America's Other Jesus* exposes the foundations of our national and religious cultures, darkens the fine lines that link them together, and illuminates the path to a spiritually healthy America.
