For Freshman-level writing courses, such as Freshman Composition, English Composition, First-Year Writing, Expository Writing or any course where students need help with grammar, research and documentation.

The material in *SF Express* is drawn from the *Scott, Foresman Handbook for Writers*, which is now in its seventh edition and has been a leader in the market for more than fifteen years. The *Scott Foresman Handbooks* have long been recognized as exceptional for their coverage of research, documentation, and technological topics and for their student-friendly approach to grammar and mechanics. *SF Express* shares these strengths.

SF Express is unique in providing coverage of a full range of writing issues in a pocket handbook format. It begins with six chapters on critical writing and thinking issues, including a separate chapter on writing logical arguments. And its treatment of style, design, and visual/online literacy is fuller than that provided in competing handbooks. The book offers all these features in an attractive, affordable, student-friendly format.
