Charles Marsh

The Last Days: A Son's Story Of Sin And Segregation At The Dawn Of A New South Charles Marsh
The Last Days is something entirely different in the literature of the civil rights movement of the 1960s. This uncompromising, heartbreaking memoir shows how people struggled with the actual processes of integration. Seeking to come to terms with the haunting memories of his childhood and adolescence in the Deep South, Charles Marsh has crafted a gripping story of small-town Southern life caught up in the whirlwind of the civil rights movement and its fallout.
