## **All That Glitters: The Emergence of Native American Micaceous Art Pottery in Northern New Mexico**

Duane Anderson

Luminous golden and sparkling black pottery fashioned from mica-rich clays is the subject of this first comprehensive study of micaceous pottery in New Mexico. With over 60 color photographs, All That Glitters explores an exciting contemporary art form as it evolved from the traditional culinary ware made by Pueblo and Jicarilla Apache Indians of the Northern Rio Grande region for at least 500 years.
