*Homegrown Harvest* provides the life-changing advice that gardeners need to grow a year-round supply of healthy fruit and vegetables for their table. The book starts with planning what to grow and where to grow it, whether that's an allotment, a series of containers, raised bed or vegetable patch, then how to get the best from your soil, and how to get started. Next, in season by season chapters, the book takes the reader from sowing to harvesting with simple clear instructions that will help them stay on top of the challenges and joys of a productive garden. From apples to asparagus, raspberries to radishes, this book will show how to apply age-old techniques to get the most from your plot.
