Sometimes good and bad things happen to us that we don't have any control of. In this book the author shares her collection of poems from the Holy Spirit to convey a message of encouragement, motivation and inspiration to millions. God is speaking to us thru His word. Do we choose not to listen? Do we choose not to hear Him? He is "Simply Saying" to us that what ever the storms, the troubles, or the controversy we encounter in our lives He is there; even in times we don't seem to feel His presence. He is always ready, willing and able to help, deliver and guide us if we allow Him to.
