Rereading Aristotle's Rhetoric

Rereading Aristotle's Rhetoric

In this collection edited by Alan G. Gross and Arthur E. Walzer, scholars in communication, rhetoric and composition, and philosophy seek to “reread” Aristotle’s *Rhetoric* from a purely rhetorical perspective. So important do these contributors find the *Rhetoric*, in fact, that a core tenet in this book is that “all subsequent rhetorical theory is but a series of responses to issues raised by the central work.”

The essays reflect on questions basic to rhetoric as a humanistic discipline. Some explore the ways in which the *Rhetoric* explicates the nature of the art of rhetoric, noting that on this issue, the tensions within the *Rhetoric* often provide a direct passageway into our own conflicts.
