## The Answers: All the office questions you never dared to ask Lucy Kellaway

Should I tell my boss what I think of him?"How can I be more political and still be myself?"I have to sack my friend or fire someone better."I am a foreigner and my views are ignoredTypical conundrums faced by many of us, and just a few of the hundreds sent every week to Lucy Kellaway's popular 'agony aunt' column in the Financial Times. The sharp down-to-earth advice is invaluable for anyone negotiating the minefield of the modern office. Whether it's a problem of working with an ex-lover, firing a litigious employee or dealing with accusations of racism, Kellaway's advice is always simple and practical, and essential reading for those trying to cope with troublesome co-workers. Better still, there is the wisdom, rage, expertise and folly of the managers and self-appointed experts who add their thoughts. This is like Why Don't Penguins' Feet Freeze? for business. And very funny too.
